

WHAT: 2026 Emily Rose Swimming Invitational

The Emily Rose Invitational has been an opportunity to raise awareness and to honor a member of the KC Swim and Dive team who passed away on October 4, 2012 after battling melanoma. Many of you have had the opportunity to bring your swimmers in previous years to show support and to honor this wonderful Klein Collins Swim Team member.

This is a sprint meet that includes 50s & 100s of each stroke and 3 Fun Relays (jeans, fins, & floats). Please bring your own fins, jeans (shared amongst the relay), or a float if you are in those relays. Event #23: Fins Relay; Event #24: Jeans Relay; Event #25 Float Relay
