

Tiger Swim Club 2026 Swim-A-Thon Fundraiser

Hello Tiger Swim Club Families!

We are excited to officially launch our 2026 Tiger Swim Club Swim-A-Thon fundraiser on Schoolfundr! 🐯 🏊 🌊

This is one of the most exciting events of the year and a HUGE opportunity for our swimmers to have fun, challenge themselves, and help support the continued growth and success of Tiger Swim Club.

Our Swim-A-Thon allows family and friends to pledge support for swimmers based on the number of laps completed. Every lap represents hard work, dedication, and team spirit — and every donation helps provide incredible opportunities for our athletes throughout the season!

Thanks to Schoolfundr, Tiger Swim Club keeps ALL the money we raise (minus standard credit card processing fees), meaning every possible dollar goes directly back to supporting our swimmers and program.

Funds raised will help support:

- 🏊 Equipment & training resources
- 🏊 Meet expenses & team events
- 🏊 Facility and program improvements
- 🏊 Opportunities that help our athletes grow both in and out of the pool

We need EVERY swimmer and family involved to help make this fundraiser a massive success! The more people you share with, the greater the impact we can make together.

Sharing is EASY:

- ✅ Email family & friends
- ✅ Send text messages
- ✅ Post on social media
- ✅ Encourage others to cheer on your swimmer and pledge support per lap!

A donation of even \$25-\$50 can make a huge difference and quickly adds up when our Tiger community comes together.

Schoolfundr takes privacy seriously — your contacts are completely PRIVATE and will never be sold, shared, or used for advertising purposes.

LET'S MAKE SOME WAVES TOGETHER! 🌊 🐯

Every lap counts. Every donation matters. Every swimmer makes a difference.

Thank you for supporting Tiger Swim Club!
